Dear Mr Cook:

I write to you on behalf of Hynes Charter School ("Hynes") in response to your e-mail correspondence, dated February 8, 2019, wherein you requested to examine certain documents pursuant to the Louisiana Public Record Act, La. Rev. Stat. Ann. § 44:1, *et seq.*

Hynes is in the process of searching for documents responsive to your request. Once located, these documents will then need to be reviewed for confidentiality and privilege.

As I'm sure you understand, the period around the Mardi Gras break, leading up to LEAP testing, is a busy time for public schools. Accordingly, Hynes will provide responsive documents within a reasonable amount of time, as provided by Louisiana state law. This delay includes any time required for necessary redactions to protect the privacy rights of students or employees as mandated by state law.

Please do not hesitate to contact us if you have additional questions.

With kind regards,
Michelle Douglas
